CONTENTS

ACKNOWLEDGMENTS	XIII
MAPS	XV
1 Introduction	1
<i>What is a tropical rainforest?</i>	1
<i>What do we mean when we say “the Amazon”?</i>	8
<i>What makes the Amazon important?</i>	12
2 Geology, Soils, and Vegetation	17
<i>What is the geological history of Amazonia?</i>	17
<i>Do large and diverse Amazonian rainforests thrive on poor soils?</i>	18
<i>What is terra preta?</i>	20
<i>How does nutrient cycling help lush rainforests flourish?</i>	22
<i>What are the major forest and vegetation types in Amazonia?</i>	24
<i>What are savannas, and how are they created?</i>	27
<i>What are tepuis, and what makes them unique?</i>	29
3 Rivers	33
<i>Where does the Amazon River begin?</i>	35
<i>What are the various river types in Amazonia?</i>	37

<i>What are some of the characteristic aquatic habitats in Amazonia?</i>	40
<i>What is the Casiquiare Canal?</i>	41
<i>Is there a coral reef in the Amazon?</i>	43

4 Amazonian Biota 46

Plants 46

<i>What is ayahuasca?</i>	46
<i>Why are bromeliads known as the aerial aquaria of the Amazon?</i>	49
<i>What is the traditional use of coca in the northwest Amazon?</i>	52
<i>What is curare, and why is it important?</i>	54
<i>Why are lianas so important, and yet so poorly understood?</i>	58
<i>What are strangler figs, and why are they not considered to be lianas?</i>	60
<i>Why are palms the most useful group of plants to the indigenous peoples of the Amazon?</i>	61
<i>Did an Amazonian water lily serve as the inspiration for steel frame architecture?</i>	67

Animals 70

<i>What is the origin of Amazonian fauna?</i>	70
<i>Do vampire bats drink human blood?</i>	72
<i>How dangerous are Amazonian spiders?</i>	74
<i>What are Amazonia's most formidable predators?</i>	76
<i>Are there hallucinogenic frogs in the Amazon rainforest?</i>	80
<i>Are there pink dolphins in the Amazon?</i>	83
<i>Why does Amazonia harbor the most diverse freshwater fish fauna in the world?</i>	85
<i>Is the tiny candiru catfish as terrifying as its reputation?</i>	88
<i>How dangerous are electric eels?</i>	90
<i>Do piranhas attack humans?</i>	93
<i>Are there sharks in the Amazon?</i>	95

5 Indigenous Peoples	97
<i>When did the first humans arrive in Amazonia?</i>	97
<i>How many people were living in Amazonia in 1492?</i>	101
<i>What are the indigenous languages in Amazonia, and why is it important to study them?</i>	103
<i>What is a shaman?</i>	106
<i>Are shrunken heads fact or fiction?</i>	108
<i>What is slash-and-burn agriculture?</i>	110
<i>Do uncontacted and isolated tribes still exist?</i>	114
6 History: The Struggle for the Amazon	117
<i>What was the Treaty of Tordesillas?</i>	117
<i>Who were the conquistadors, and why was Lope De Aguirre considered the worst?</i>	118
<i>What role did Pedro Teixeira play in the colonization of the Amazon?</i>	122
<i>What is the history of the mapping of the Amazon?</i>	124
<i>Who was the first European scientific explorer of the Amazon?</i>	128
<i>What is the connection between the Amazon and the origins of the theory of evolution?</i>	131
<i>Did Harvard send an expedition to the Amazon to disprove Darwin's theory of evolution?</i>	133
<i>How did Amazonian rubber become a key global commodity?</i>	138
<i>What effect did the rubber industry have on Amazonia?</i>	140
<i>What was Fordlandia?</i>	142
<i>What was the Jari Project, and why did it fail?</i>	145
<i>Has Amazonia produced any heroes?</i>	147
7 Amazonia's Uncertain Future	150
<i>Is cattle ranching a major cause of Amazonian deforestation?</i>	150
<i>What is the status of hydroelectric dams in Amazonia?</i>	153

xii Contents

<i>What is the impact of gold mining in Amazonia?</i>	157
<i>What is the role of large-scale agricultural production in deforestation?</i>	160
<i>What is the role of small-scale farming in deforestation?</i>	163
<i>Who farms in Amazonia?</i>	163
<i>What is the status and impact of logging in Amazonia?</i>	164
